About Our Organization

Benevolence Farm is a nonprofit organization that provides stable employment, secure housing, and support services for formerly incarcerated women. The employment program offers living wages, which are funded by the body care enterprise. 100% of profits earned through product sales go directly back into the wages of the women who participate in the employment program.

All of our handmade products are infused with herbs and flowers grown directly on our farm.

Our Enterprise & Wholesale

We offer wholesale prices to retailers that purchase at least \$150 of product.

You can expect around 5-7 days of turnaround time for your wholesale order.

4 oz glass jar

Muscle Rub

Lemon balm and Peppermint are often said to relieve stress and anxiety, which makes it a great foundation for our muscle rub. This formula was developed as a two-pronged solution to muscle care: to be used at the beginning of the day to relax the muscles and as you need it to release tension throughout the day.

4 oz jar: \$9.60

Suggested Retail Price Range: \$18
